

Such a Mismatch, Chip!

Pip is a wee
mouse. He
creeps up and
peeps in.

He checks the
dim room. Not a
cat, not a dog.

Pip hops on the
desk and spots
a long cord.

He grips it and
tugs. Such a
good cord!

Crunch! Pip
chomps on the
cord.

Yelp! It is
Chip's tail. Chip
is not glad.

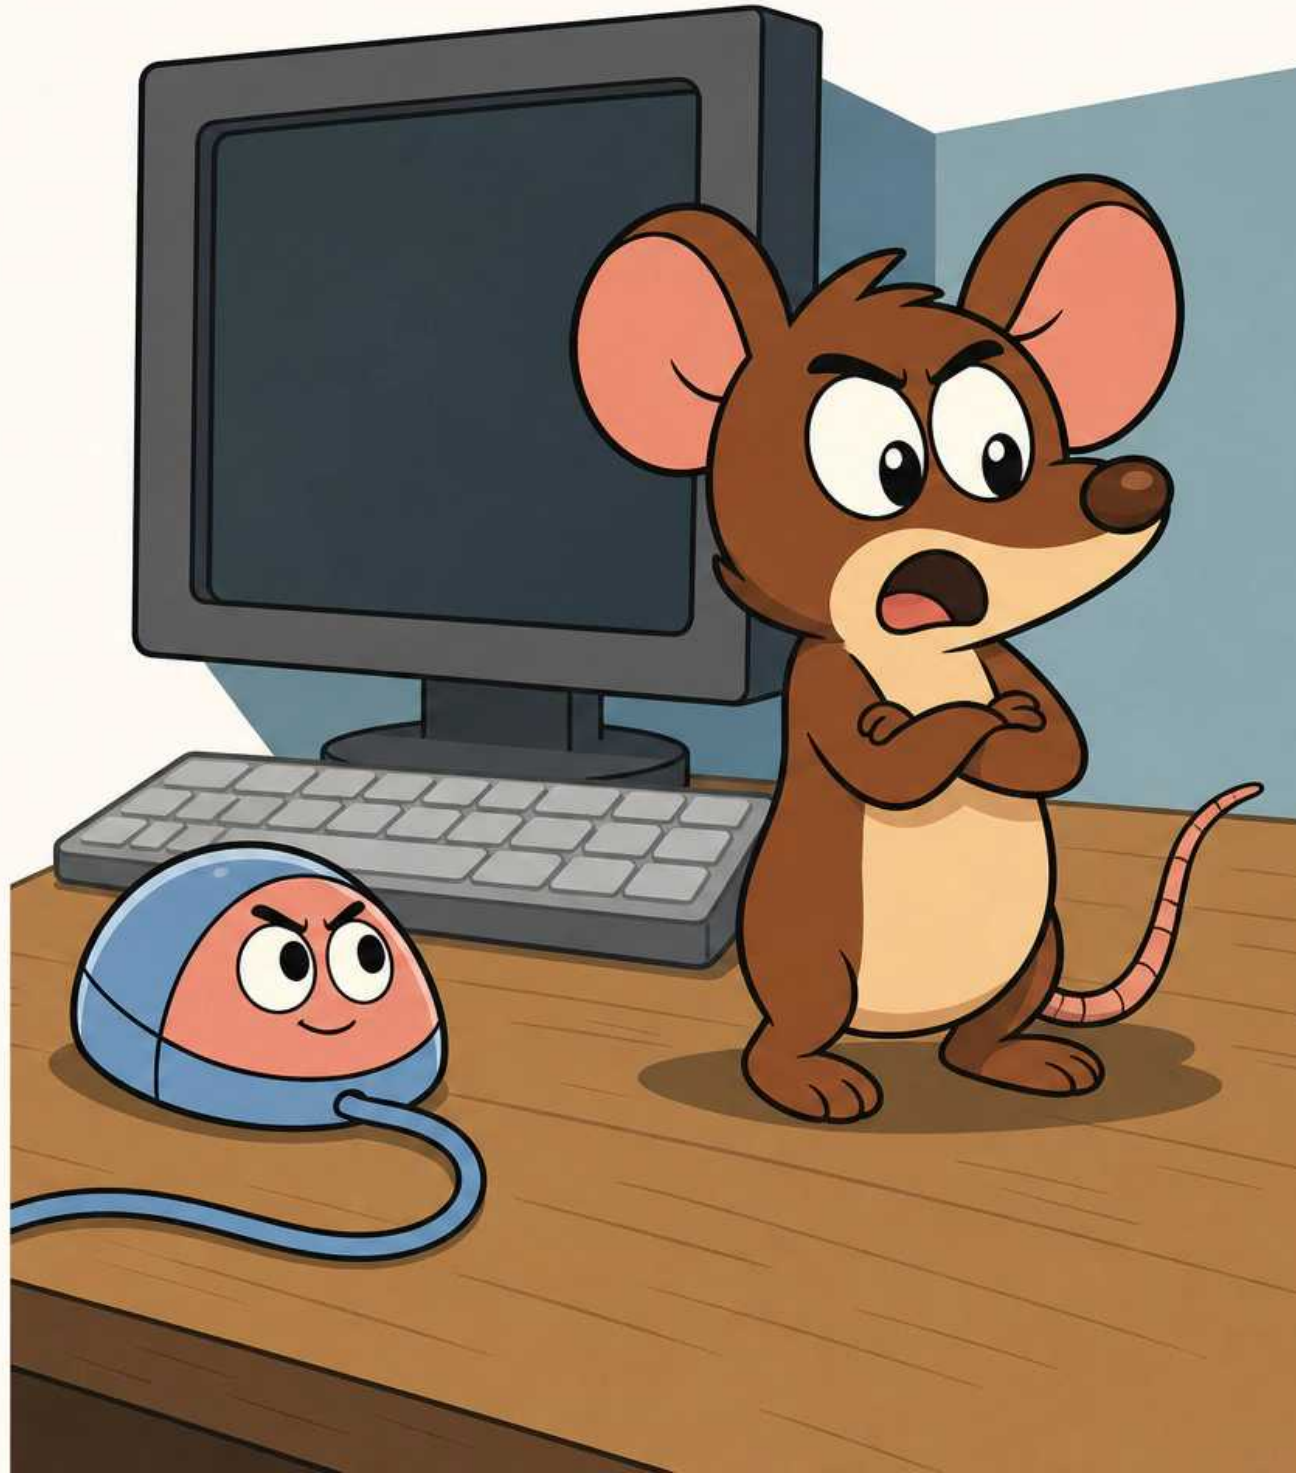

Pip spins and checks. It is
Chip!

Chip has not got feet or a
chin. Is it a mouse?

Chip can click
and scan the
web. Such a
champ! Chip
chats and
chats. Pip is
not glad.

A big cat hunts
Pip. Pip needs
help. Can Chip
fetch food?

Chip nods.

Chip can help!

The cat
creeps up.
Its nails
scratch the
desk. Pip
flinches. Help,
Chip, help!

The cat springs
and snatches
at Pip. Pip
jumps back and
runs. Fast,
Chip, fast!

Woof! A big dog
is on the screen.

The cat
screeches and
runs off. Chip
did it!

Pip lifts Chip
up and hugs
him.

Such an odd
mouse, but the
best chum! Pip
grins and grins.

Such a Mismatch, Chip!

Pip the mouse finds the perfect empty house, quiet and safe, until he bites down on what he thinks is a rope. It yelps, snaps back, and turns out to have a tail, a chin, and a very loud opinion about being chewed. Will this strange little creature help Pip hide from the cat prowling nearby, or make things worse? Written for Jolly Phonics classrooms (Group 6: ch /ch/), this book practices words like 'chip', 'such', 'checks', 'chomps', 'crunch'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
