

Such a Rich Munch Patch

See the Minecraft
plains land. It
stretches on and
on. A chicken
pecks at the sod,
and a big tree
stands on the land.

A kid stands on
the plains. A pig
digs in the dust.
A cow rests
and munches.

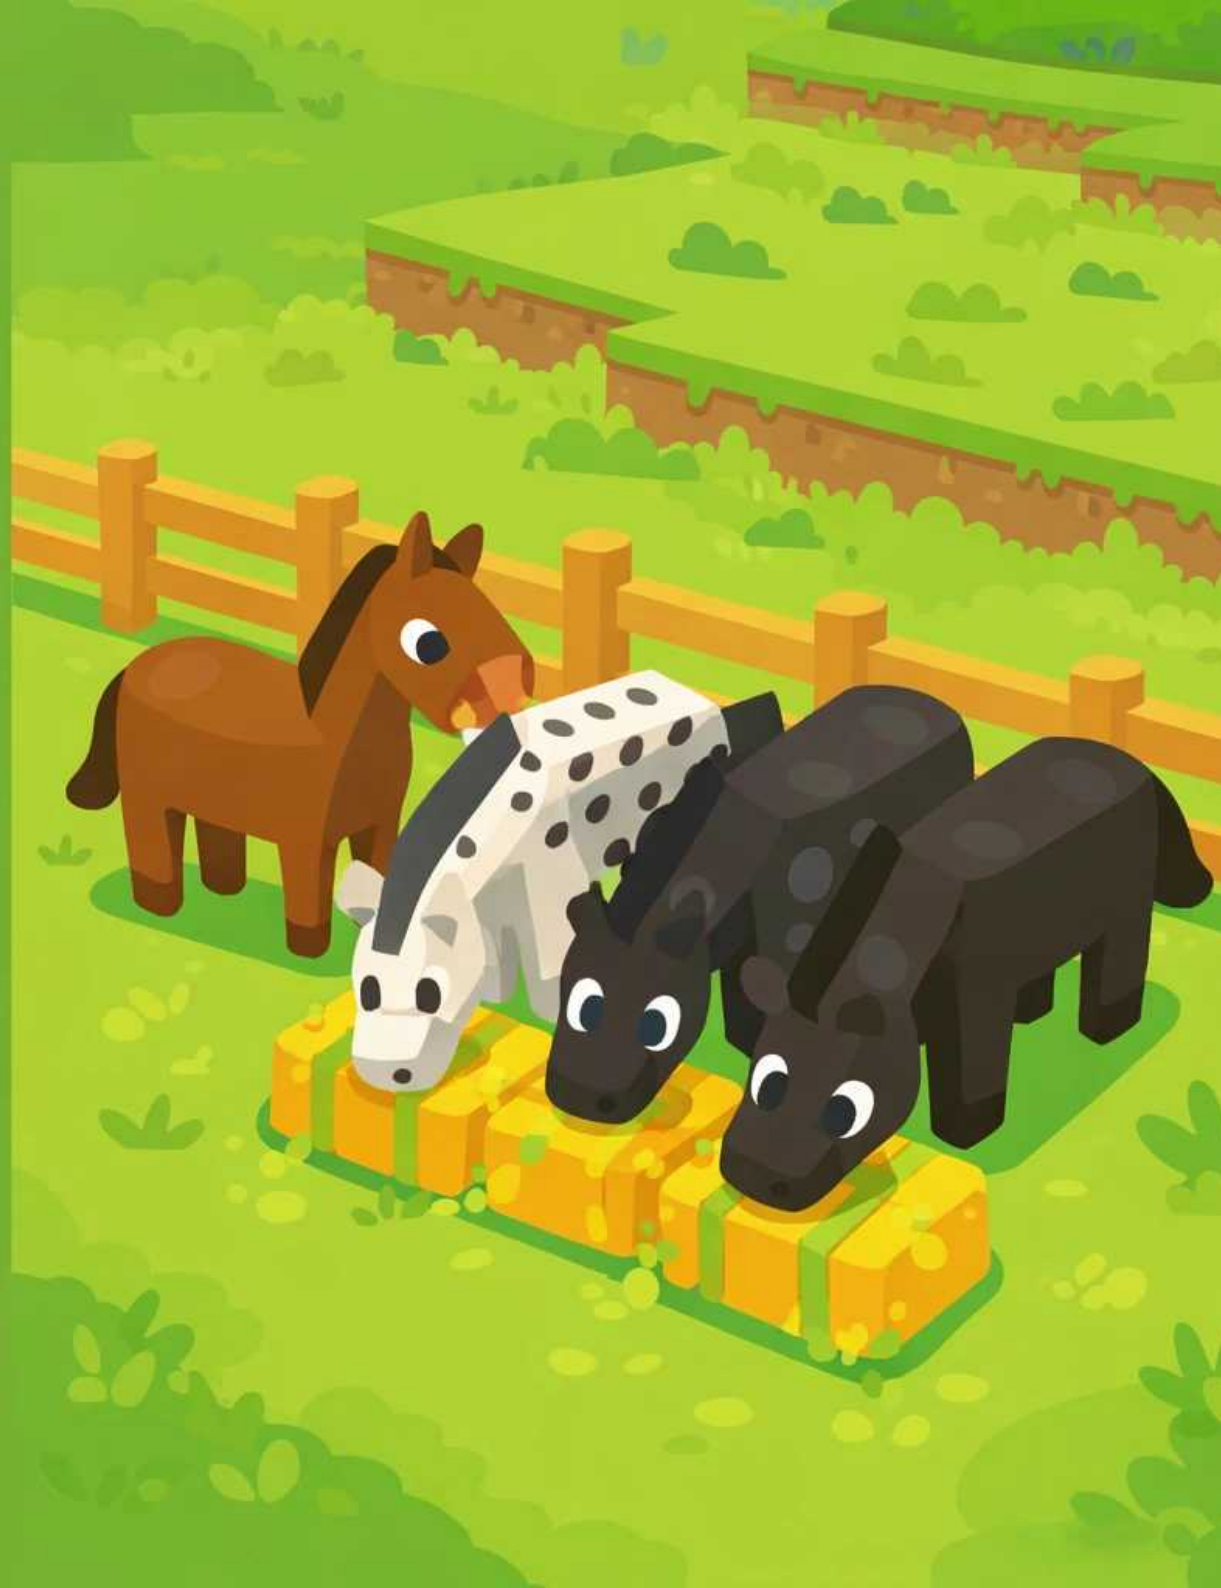

Such a lot to see!

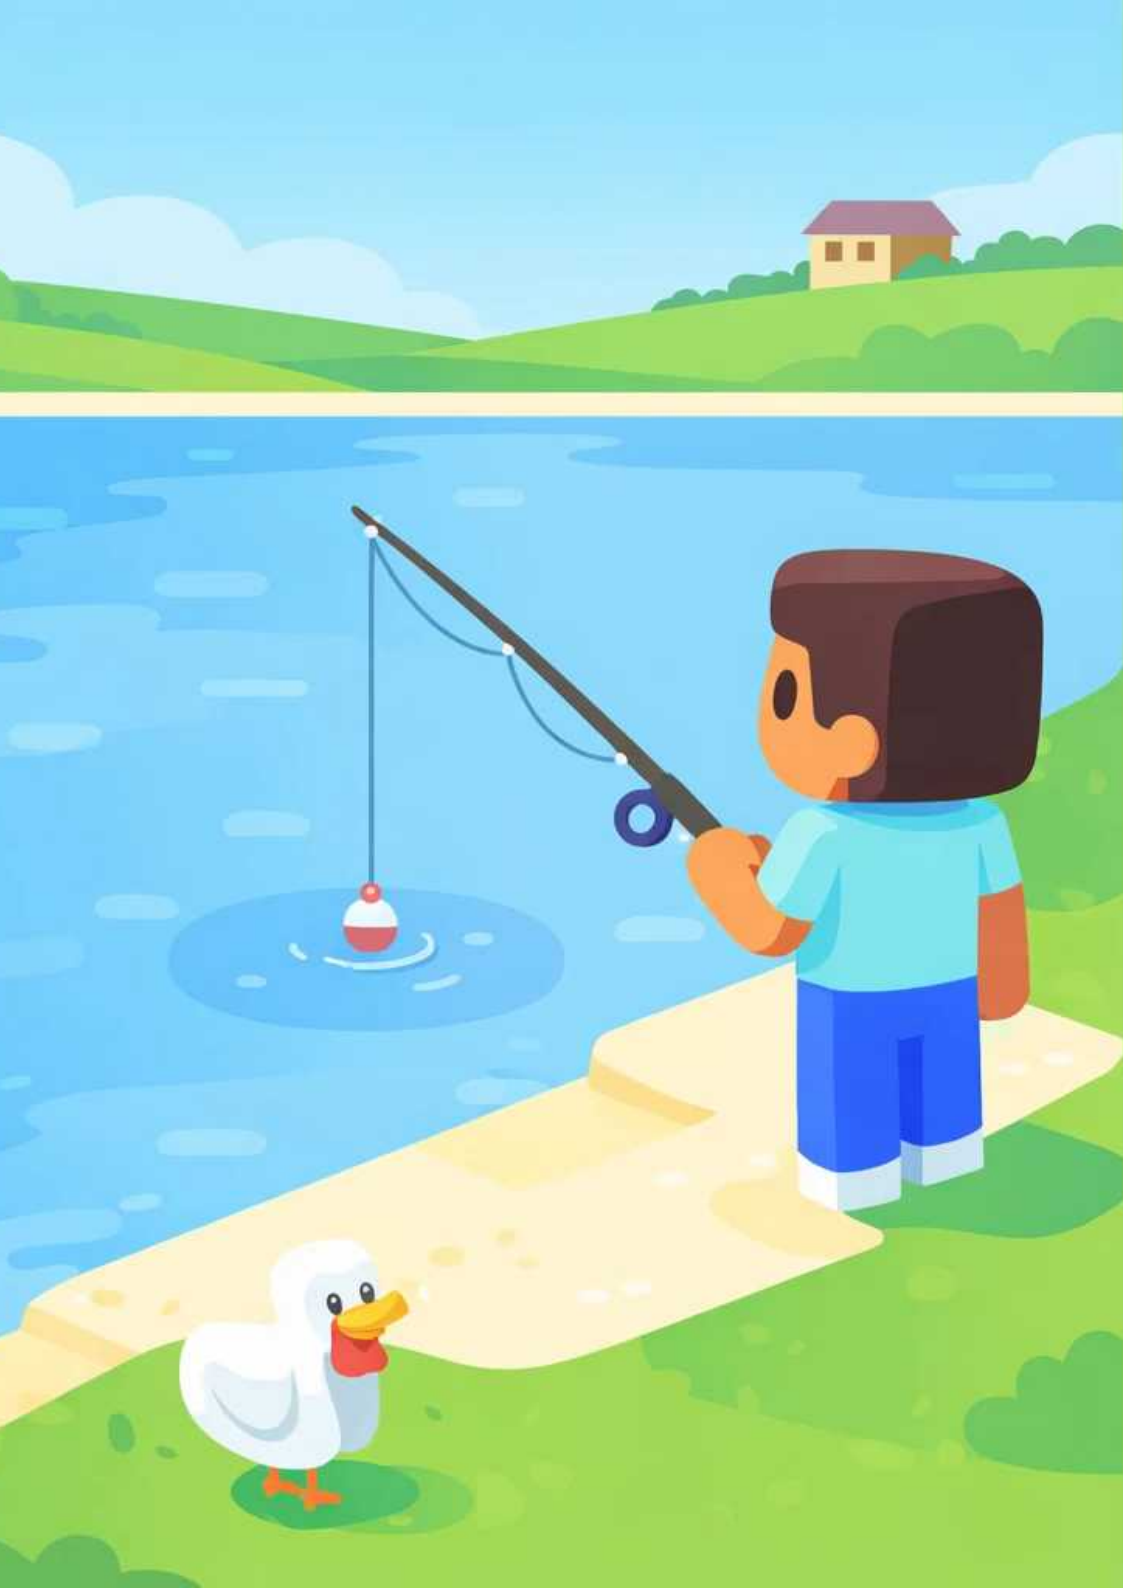

A mob stands on
the soft sod.

Chickens peck and
peck, and a pig
munches too.

The big mobs
stand at the
pen and chomp
the feed. The
land is a good
spot for a hut.

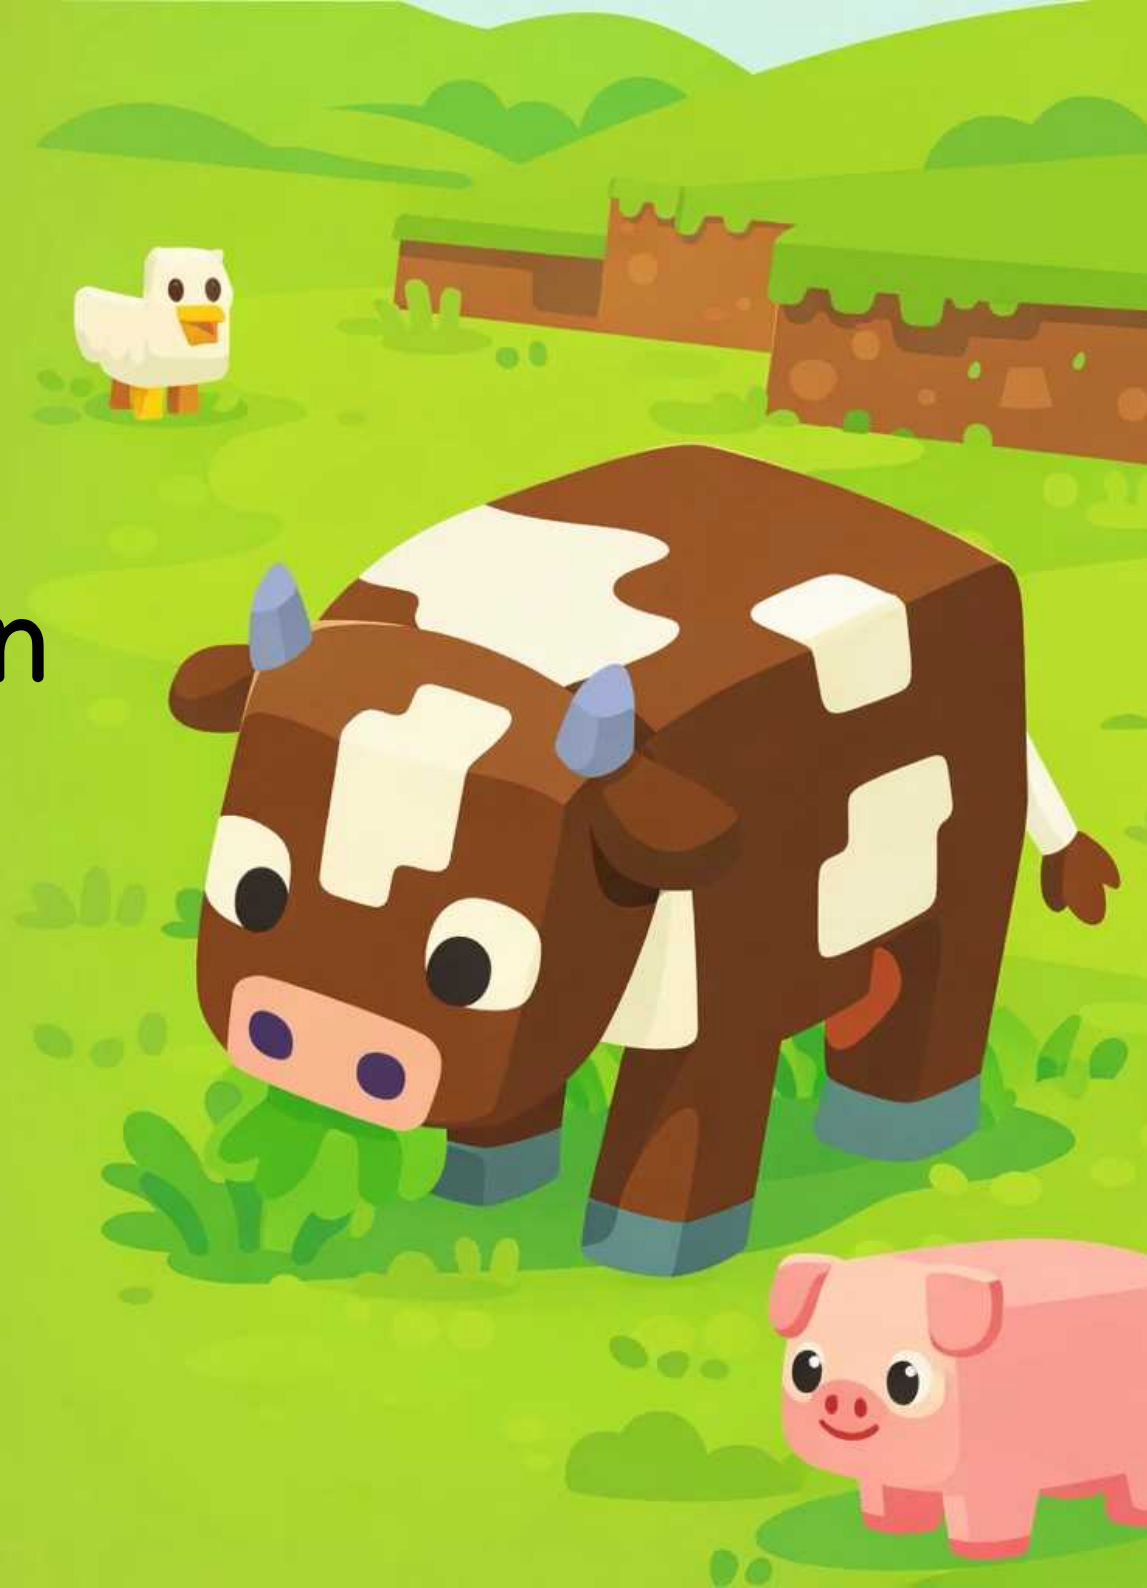

A man has a rod
at the big pool.
He can catch
cod for lunch. A
cod nabs the
bait, and he
reels it in.

Munch, munch!

The cow chomps
the sod. A chicken
and a pig munch
a snack too. It is
such a rich land.

Big blooms
stretch up to
the sun. Such a
lot! A chicken
stands in the
blooms and
checks the sod.

Too much
munching! The
mob chomps up
the sod, and the
land ends up as
a big dust patch.

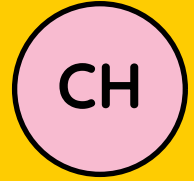

The big mobs
stamp and tramp.
The land gets rips
and tracks. But the
chickens are not
big, and the sod is
not cut up much.

A man tends his
ranch. He checks
the pen and
hands feed to the
mob. The land
can rest, and the
sod is green.

Such a Rich Munch Patch

A chicken pecks and a pig munches across the wide open plains, where cows and horses share the grass and a man tends a ranch by the pool. But when too many mobs crowd one patch, the grass starts to disappear. Can the animals still find enough to eat before the land turns to dust? Written for Jolly Phonics classrooms (Group 6: ch /ch/), this book practices words like 'munch', 'chomp', 'patch', 'ranch', 'stretch'.

Phonics Focus: <ch>

catch, checks, chicken, chickens, chomp, chomps, lunch, much, munch, munches, munching, patch, ranch, rich, stretch, stretches, such

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
