An Unofficial Minecraft Book

Steve hunts
for Alex. Steve
is quick, and
Steve is the
best at tag.

Alex zips off
in the grass.

Alex must
pick a spot
fast!

Steve stomps
in the tall
grass. Steve
looks in back
of the plant.

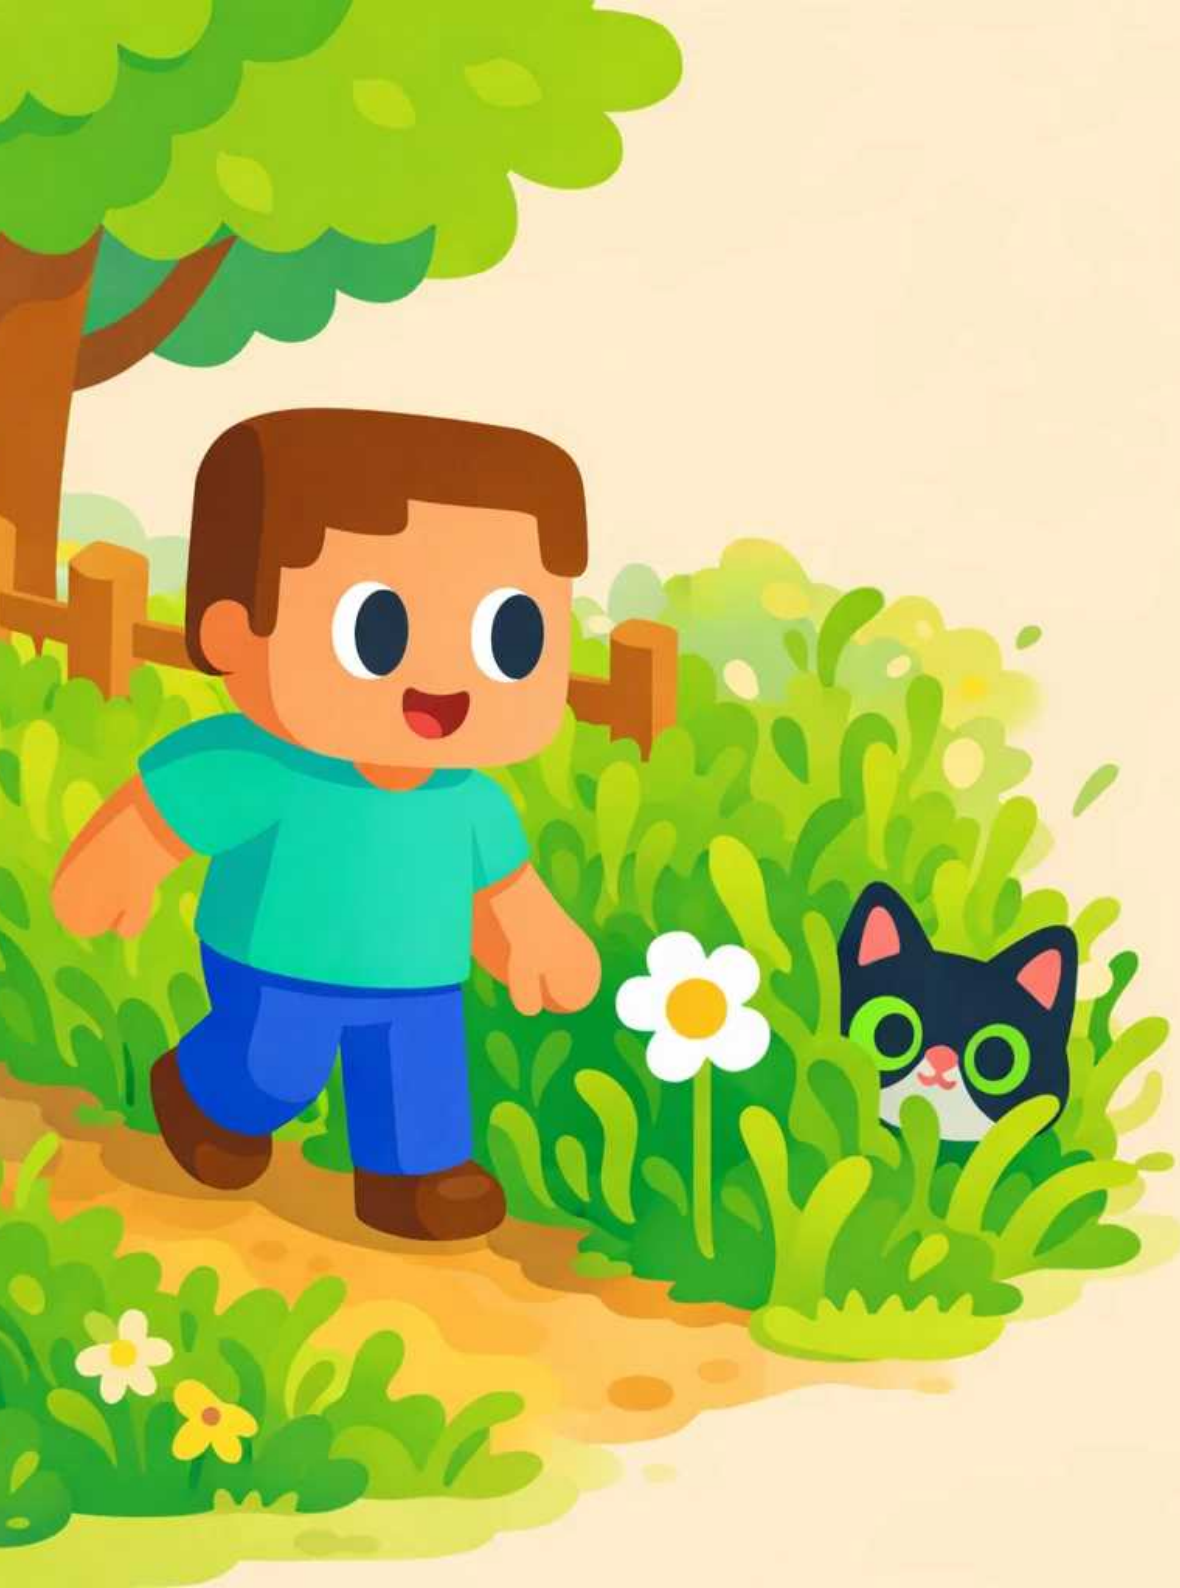

Snap! A twig
cracks in
the grass.

Steve
stands still.

It is just The
Dog! The
Dog licks
Steve and
trots off.

Steve spots
black fluff in
the tall
grass. Is it
Alex?

No luck! It is
just Brat
Cat, and
Brat Cat
slips off.

Steve spots
a big pit.

Chicken
stands at the
pit and clucks.

Chicken is
stuck in the
pit. Steve
sets up a
ramp to help.

Steve slumps
in the soft
plants. No
luck at all,
and no Alex.

Steve spots
a leg in
back of the
plant. It is
Alex!

Steve is quick
and taps
Alex. Tag!
Alex grins
and grins.

Tag

Steve is the best seeker at tag, and he's sure he'll find Alex in ten seconds flat. But every clue leads to a trick: a dog, a black-and-white cat, even a stuck chicken that clucks for help. With no luck at all, has Alex outsmarted the greatest seeker who ever lived? Created to align with the UFLI Foundations scope and sequence (Lesson 44: ck /k/), this book practices words like 'quick', 'stuck', 'black', 'luck', 'pick'.

Phonics Focus: ck /k/

back, black, clucks, cracks, licks, luck, pick, quick, stuck

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
