

Ted Can Do This

Ted has his
stick and
steps on the
path. Cat
sits and
looks at him.

Kim runs up to
Ted and frets
a bit.

But Ted grins
and steps on
with his stick.

Ted stops on
the path and
sniffs.

Then he veers,
and Kim gasps
at this.

Ted sniffs at the fish shop.

Fish! Kim sniffs as well, and
she thinks it is a good hint.

Ted pats the
rock with his
hand. It is thick
and not smooth.

Cat sits up on
top.

A big pool is
on the path.
But Ted steps
past it, and his
feet do not
get wet.

Tap, tap! Ted
taps his stick
on the path.

That is his trick,
and Kim thinks
it is good.

Woof, woof! A
big dog yaps
at them.

Kim yelps, but
Ted just grins
at this.

Kim thinks and
thinks, then she
gets it.

Ted can check
things with his
feet and his
stick.

Ted stops and
sniffs. Food!

Then Kim
sniffs as well,
and she grins.

This is it, the
bash! Ted
stands with his
gift and grins.

Cat sits with
them.

Ted and Kim
sit with the kids
and get food.
Kim thanks
Ted, and it is
fun with a pal.

Ted Can Do This

Ted knows every street by heart, using nothing but his cane, his nose, and his fingertips. So when his friend worries he'll get lost on the way to a birthday party, Ted just grins and keeps walking. What clues could possibly guide him there? Written for Jolly Phonics classrooms (Group 6: th as in this & th as in thin), this book practices words like 'path', 'thinks', 'smooth', 'thick', 'things'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
