

The Book Said Dig!

An Unofficial Minecraft Book

NED
AND THE
MAGIC
BOOK

An Unofficial Minecraft Series

Ned and the Magic Book

Ned grins
at his shed.
The Book
has a plan,
a big plan.

Ned and
The Book
go fast on
the path.
Off to dig!

Ned digs at
the sand.

Thud! The
mud is thick
and wet.

Mud balls pop
up from the
pit. Ned grabs
the thick mud
balls and
packs them in.

The mud ball
gets so hot.
It melts! It is
a red brick!
What a thrill!

The Book
sits on the
path. See the
pic? Plants in
a pot!

Ned sets a pot
on the grass
with a thud. He
must get
plants, a lot of
plants.

Ned stands in
thick plants.
Buzz! What is
that? Ned
grabs a big
clump.

The bees are
mad! Ned
runs and
runs. Thump,
thump, thump!

Ned is in the
shed. He pants,
and his legs
throb. A bee sits
on the grass
and looks at him.

Ned fills the
pots with
plants. The
plants are soft
and thick. The
Book is so glad.

The pots sit
at the shed,
full of plants.
Ned grins.
Back on the
path they go!

The Book Said Dig!

Ned's shed looks boring, and The Book has a plan to fix it, but first they need to go to the beach and dig for something strange. When mud balls melt in the furnace, they turn into something Ned never expected. Then a field of flowers, and the angry bees guarding them, might wreck the whole plan before it even gets started. Will Ned finish his shed before the bees catch him? Created to align with the UFLI Foundations scope and sequence (Lesson 47: Unvoiced th /th/), this book practices words like 'thick', 'thud', 'thrill', 'thump'.

Phonics Focus: Unvoiced th /th/

path, thick, thrill, throb, thud, thump

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
