

The Cat Is Hiding!

Sam sits
up in bed.
Kit the
black cat is
not in bed!

Sam runs
out to look.
No Kit at all.
Bad luck,
Sam!

Sam taps the
top of the big
pot. Tap, tap!
But Kit is in
back of the
pot.

Sam looks and
looks, but no
Kit. Kit is quick
and ducks in
back. What a
trick!

Sam hunts in
the big plant.
Yuck, what a
mess! Kit is
not in the
plant.

Sam runs to
look. Quick,
Sam, quick!
But Kit is up
on top.

Sam looks in
the gap. No
Kit. But Kit
is up on top.
What a trick!

Sam steps up
to look on top.
No luck. Kit is
in the gap.
What a **slick**
trick!

Sam looks at
the book rack.
No Kit in back
of the books.
Sam is sad.

Sam gets
flat to look
in the gap in
the bed. No
luck. No Kit.

Sam is stuck.

No Kit at all.

Sam wants

help to get

Kit back.

A lump is in
the bed. It
is Kit! Sam
hugs Kit. Kit
is back!

The Cat Is Hiding!

Kit the cat is missing! She was curled up on her pillow last night, but now there's just an empty dent. A girl checks the big blue pot, the bookshelf, even a bush by the porch, but Kit is nowhere to be found. Could Kit be hiding somewhere no one has thought to look? Created to align with the UFLI Foundations scope and sequence (Lesson 44: ck /k/), this book practices words like 'back', 'trick', 'stuck', 'quick'.

Phonics Focus: ck /k/

back, black, ducks, luck, quick, rack, slick, stuck, trick, yuck

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
