THE CURSED EMERALD PART 2

Steve stands in
the strong sun.
He tucks the
emerald in his
bag. He longs
for a hot dish.

Villager stands
on the path
with the gang.
Steve longs to
get a snack
from them.

Tap, tap!

Steve pats

Villager on the

back. Villager

hums a long

singsong hum.

Steve lifts the
emerald up.
Villager springs
back fast.
They all yell
and step back.

Steve looks in
a hut, but they
stand stiff and
look mad.

Steve hangs
back.

Ding! Steve
flips up the lid
of the box
and grabs a
snack. He is
glad.

Steve pats the cat thing, but it is a rock. Then he sees Cat. Cat is stiff and still and can not spring up.

Steve steps
back, back, back.
Zing! Cat springs
up and runs fast
from the cursed
emerald.

Steve stands on the deck. The emerald hums in his bag, but Steve is strong. No! Steve hangs back and lets it sit.

The Cursed Emerald Part 2

Steve finds a strange emerald that freezes time itself, and every villager seems terrified of it. He longs for a hot meal after his trade goes horribly wrong, and a frozen cat gives him a clue about the gem's power. Can Steve figure out what the cursed emerald is really doing before it happens to him? Created to align with the UFLI Foundations scope and sequence (Lesson 51: ng /ŋ/), this book practices words like 'strong', 'springs', 'longs', 'ding', 'zing'.

Phonics Focus: ng /ŋ/

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
