

The Rift is Waiting

Jill meets the
gang. The cat
sits and
blinks. Jill
longs to see
the nether.

Dr. Can Do
has a big grin.
He sings a
song. He longs
for the trip.

A big mob
stands on the
lava. It has long
legs. A wee
mob is on the
lava as well.

Jill grins and
lifts a hand.
She has a plan.
The gang can
set long strong
planks on top.

The Mage
stands and
grins. He has a
gang at long
last. He longs
for the morning
trip.

Jill brings the
bucket and tips
it. The lava sets
as strong black
rock.

Dr. Can Do nods
and grins.

The Mage is in
bed but not
sleeping. No
snoring, just a big
grin.

He is waiting for
the morning.

Zing! The Mage
zaps the rift and
it springs up.

In steps the
gang, off to the
nether.

The Rift is Waiting

Jill and her friends are ready to head into the Nether, but there's one problem: the ground there is made of lava. When a strange mob with long legs strides right across it, Jill comes up with a bold plan of her own. Could a bridge be the answer? Written for Jolly Phonics classrooms (Group 5: ng /ng/), this book practices words like 'strong', 'longs', 'morning', 'waiting'.

Phonics Focus: <ng>

brings, gang, long, longs, morning, sings, sleeping, snoring, song, springs, strong, waiting, zing

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
