The Thing in the Cave!
An Unofficial Minecraft Book

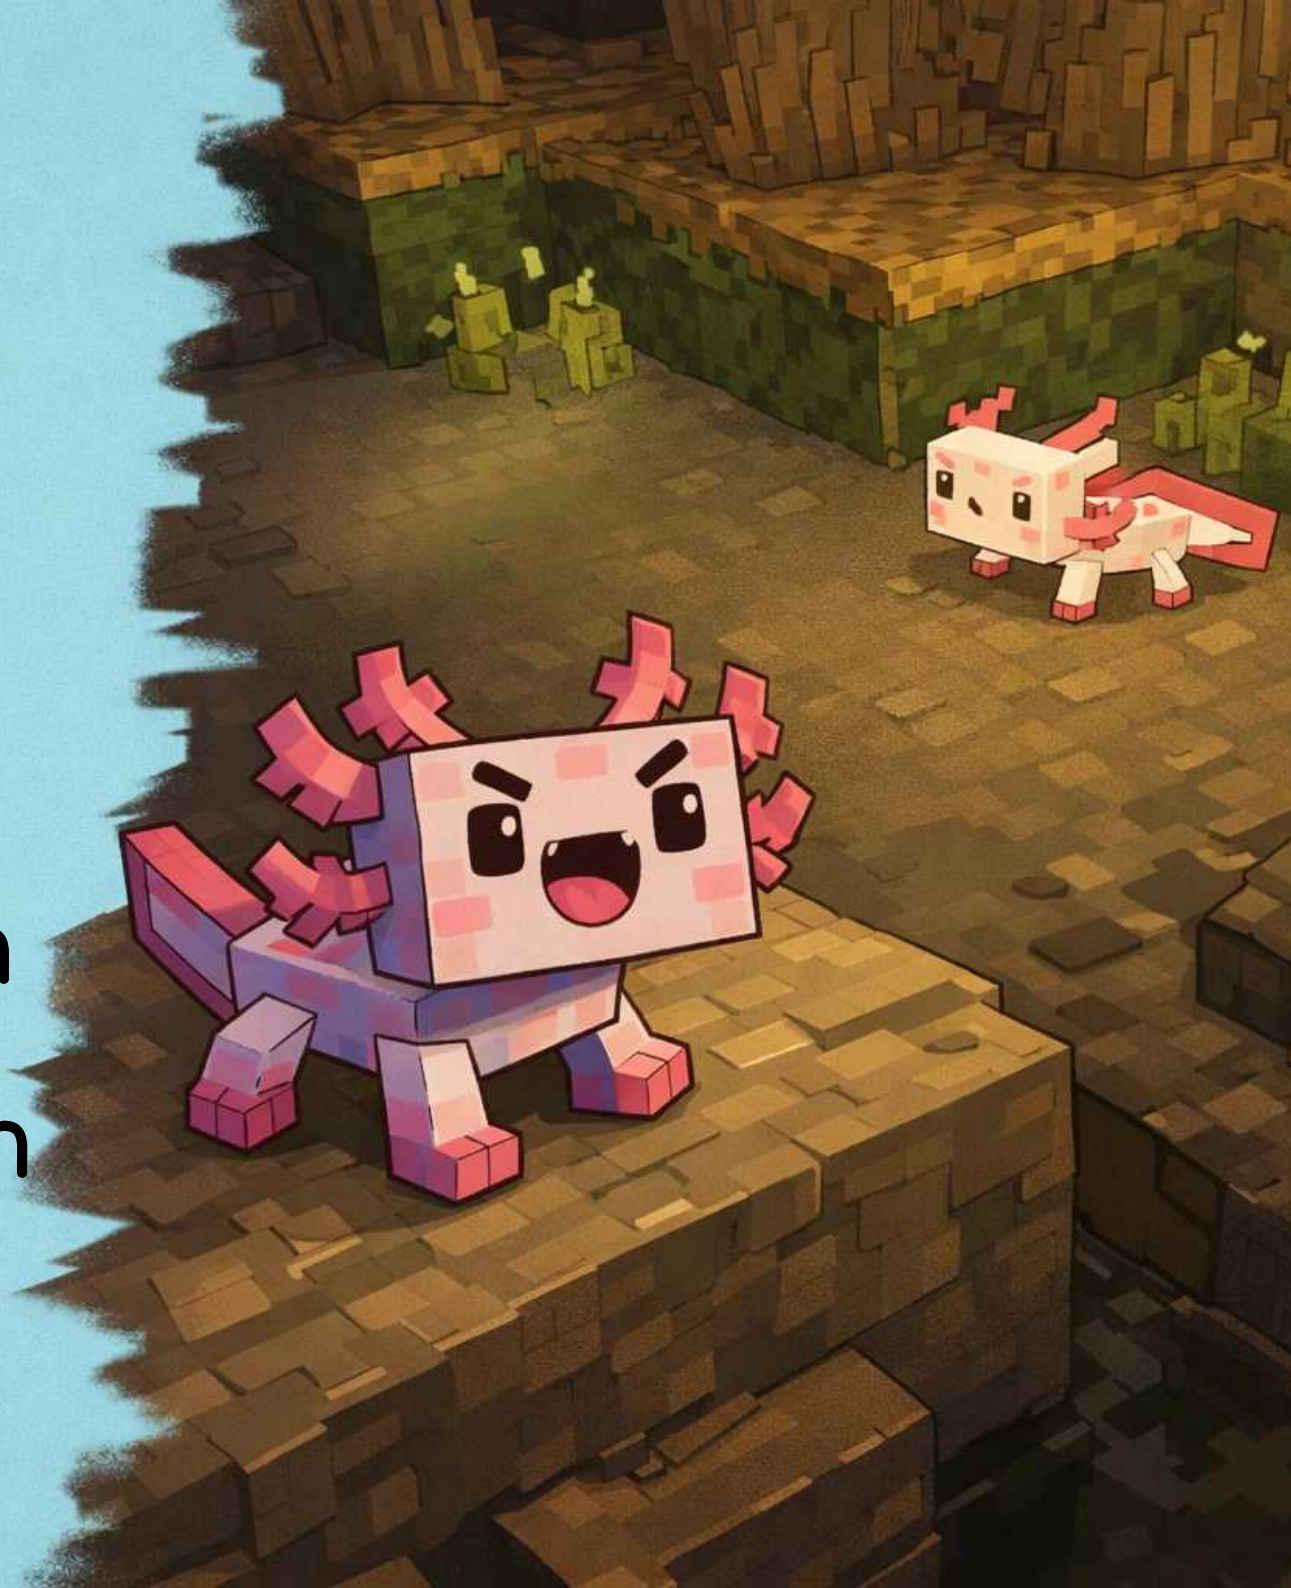
Steve crept in a dark cave. **Then this** pink **thing** swam up. It had a huge grin.

That pet came up on land. It sat by Steve, wet and glad. 'My pet!' said Steve.

Steve held his pet. **They** went home. **The** pet sat by **the** pond but did not grin.

Steve got moss. He set it by **the** pond. **Then the** pet slid in **with** a smile!

Then the pet swam back to the cave. There, a white thing came forth! Both pets grinned with thick, wide grins.



Both came home **with** Steve. **Then they** swam side by side in **the** sun. **Both** pets were glad.

Steve holds **the** fish up in **the** bucket. **The** pet grins at him from **the** pond. 'Stop **that!**' Steve says **with** a grin.

The two pets met in **the** pond. **Both** had fun as **they** swam. '**This** is **the** best!'

TH

The Thing in the Cave!

Deep in a dark cave, Steve spots something pink with a huge, goofy grin swimming up through the water. What is this strange little creature, and why won't it leave his side? As Steve takes his new friend home, could there be another glowing pet waiting back in the cave? Will two be better than one? This decodable reader practices the 'th' sound in words such as 'that,' 'then,' 'there,' 'thick,' and 'thanks.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
