

True Clue

Chirp, chirp! Pup
sits at a shrub.
He needs a
nap. But the din
continues. It is
loud.

Pup hunts for a
clue. He checks
a shrub. Not a
clue yet. The
hunt continues.
Chirp, chirp!

Pup bumps
into Trunk. Is it
him? Is it true?
It is not true.
Trunk can not
chirp at all.

Pup peeks at a pest in the
shrubs, but it just hisses. The
hunt must **continue**.

It must be up in
a tree! Pup hangs
from a branch
and peeks. They
just sit, as still
as statues. Not
a peep.

It is wee bugs on
a twig! It is **true**.

The din ends and
Pup can sleep at
last. Hush.

True Clue

Pup just wants a nap, but a mysterious CHIRP! CHIRP! keeps interrupting. He sniffs and searches through bushes and trees, checking every creature he meets, certain one of them must be the noisy culprit. Who could possibly be making all that racket? Written for Jolly Phonics classrooms (Group 7: ue /ue/), this book practices words like 'true', 'clue', 'continues', 'statues'.

Phonics Focus: <ue>

clue, continue, continues, statues, true

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
