

Tug, Jud!

Elephant sits in the
small red ride and
will not get off. Ned
has to push, but
Elephant is huge!
'Push harder, Ned!'
says Elephant with
a smile.

Ned takes a rest
by the red hen. He
can see two eggs
by the rocks.

'One Elephant, two
eggs!' says Ned
with a grin.

The big fan spins
fast. Ned makes
small balls, and they
rise and glide in the
wind. 'Look at them
spin!' says Ned.

Ned drives a fun
ride on the ice. It
has four black
rims, and it will
not stop!

'What a ride!' yells
Ned.

A huge red bag
with five tips takes
Ned up in a bin.
He gazes at the
globe and smiles.
'Five!' says Ned.

One ride with Elephant, and two
eggs by the hen. Look at all the
things Ned gets to see! Ned adds
them all up with a smile. Five!

Ned rides on the
back of a huge red
ant. It has six thick
legs, and it can
stomp and stomp.

'I like this ride!'
yells Ned.

Ned and his pal
gaze up at the
date pad. 'Seven
is the best date!'
says his pal with
a grin. 'It is cake
time!' says Ned.

A huge bug sits
up on a thick web.
It has eight legs,
and Ned thinks it
is quite nice.

'Look at it dance!'
says Ned.

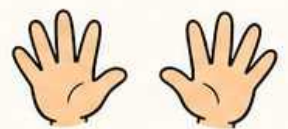

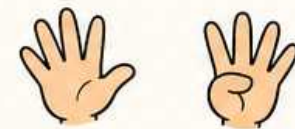

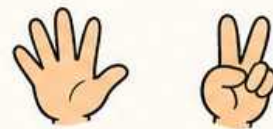

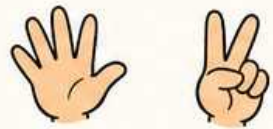

Look at that, up
on the wall! The
plumes on it shine
in nine tints. 'So
nice!' says Ned,
and he gazes up
at them all.

Ned lifts up his
hands with a
huge grin. He can
see ten tips!

'One to ten, I can
name them all!'
says Ned.

What a fun **time** for Ned! But back at home,
Elephant still sits in the small red ride.
'Time to push harder!' says Ned with a grin.

Tug, Jud!

Ned's elephant just won't budge, but a hen's eggs, a spinning fan, and a wild ride on the ice send him chasing numbers all over the place. Will he ever push that huge elephant out of its cart? Created to align with the UFLI Foundations scope and sequence (Lesson 62: VCe Review 3, VCe Exceptions), this book practices words like 'ride', 'huge', 'smile', 'gaze', 'glide'.

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
