

Up the Tree for Coconuts

Gran is at the
tank. She gets
the plants wet.

Sam looks on
and grins.

Sam jumps from plant to
plant. Get big, plants! Gran
grins. It is fun too.

Gran sits on
the lift. Sam
grips it and
cranks fast.
Zoom! Up, up,
up to the tree
top!

Look out! Gran
sends the
coconuts down
the plank. Bump,
bump, plop! In
the big bin!

The husk is not soft. Gran gets a tool and cuts it. Sam tugs and tugs, but it is stuck.

Sam droops.
He is not keen
to keep at it.
Gran looks at
him. Not so
fast, Sam!

Gran lifts the tool
up. Crack! The
coconut splits.

Sam scoops up
the drops in the
pot. Got it!

Sam grips the red tool and cranks it. It is a big job! Gran grins. Keep it up, Sam!

Gran cooks the coconut in
the pot. Ooh, it smells so
sweet, and Sam swoons.

Gran tips the
coconut in the
tin.

Sam sits and
looks on. Soon,
Sam, soon!

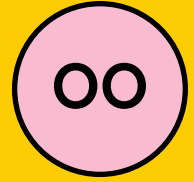

The coconut is crisp and
sweet at last, and Sam packs
it in the pots. Good job!

Sam lifts a bit
up. Got it! Snap!
It is so good.
Gran grins too.
She is a good
cook!

Up the Tree for Coconuts

Gran has a plan: grow the biggest coconuts ever, then turn them into the best coconut bars in the world. But first a girl must crank Gran's lift up into the tree, wrestle a stubborn husk, and catch every drop of coconut water without spilling a bit, will she make it through all the hard work before the bars are done? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practices words like 'look', 'cook', 'zoom', 'droops', 'scoops'.

Phonics Focus: <oo>

cook, cooks, droops, good, look, looks, ooh, scoops, soon, swoons, too, tool, zoom

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
