

What a Whiff, Ted!

Ted grins
and grabs his
white cane.
Cat looks at
him from the
fence.

Kim runs up
fast. 'Ted, can I
help?' Kim yells.

Ted smiles and
walks at a nice
pace.

Ted stops
and sniffs. 'I
can tell the
place to go,'
he says.

Ted sniffs once, and Kim
sniffs twice. 'Fish!' says
Kim with a grin.

Ted pats the
stone wall. 'I have
felt this wall since
I was small,' he
says.

Cat looks on from
the top.

'Stop, Ted! A big
wet spot!' Kim
yells.

But Ted steps
past it with grace,
and he is not wet.

Tap, tap! 'My cane
can tell me where
the wet spot is,'
says Ted.

'That is so ace!'
says Kim.

Ruff, ruff! A big dog yaps at the gate, and Cat hops up on the fence.

'Look, Ted!' Kim yells, but Ted just grins.

Kim takes a
glance at Ted
and grins.
Smells and
taps tell Ted
the path!

Ted stops and
sniffs. 'Cake!' he
says.

'We have a
chance to get a
big slice!'

This is the place!
Kim jumps and
wants to dance.

Ted has a gift
box, and Cat
sits with them.

Ted and Kim sit
with their pals
and have cake.

'This is so nice,'
says Kim.

Ted grins and
has a big slice.

What a Whiff, Ted!

Ted knows his street by heart, but not by sight. When his friend races up worried he'll get lost on the way to a birthday party, Ted just smiles and keeps walking, following smells, sounds, and the tap of his cane instead of his eyes. Can Ted find his way to the party without ever looking where he's going? Created to align with the UFLI Foundations scope and sequence (Lesson 60: _ce /s/), this book practices words like 'nice', 'place', 'since', 'twice', 'chance'.

Phonics Focus: _ce /s/

ace, chance, dance, fence, glance, grace, nice, once, pace, place, since, slice, twice

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
