

AN UNOFFICIAL MINECRAFT SERIES

DR. CAN DO

WHAT IS
HIS PLAN?

Dr. Can Do is
in his lab.

What a mess!
Stuff and dust
fill up the lab.

Dr. Can Do gets
to it. He fills up
a box. And a
box. And a box.
Look, the lab is
not a mess!

But look at
the mass of
stuff! Dr. Can
Do huffs. He
must dump it
in the lava pit.

He zips off to
the lava pit.
The pit puffs
and spits. Dr.
Can Do has a
plan!

A rig can
dump his stuff
in the lava!
The plan fizzes
in him. What a
swell plan!

Tap, tap! He
crafts the rig
fast. He sets the
box, the bin and
the red dust.
What skill he has!

The lab is not
a mess. The
rig hums and
Dr. Can Do
grins. What
bliss!

But look at the
lab! Red dust
and grit fill it
up. Dr. Can Do
huffs. What a
mess!

What Is His Plan?

Dr. Can Do's workshop is a mess. Stuff and dust fill every corner, so he stacks and sorts until the floor is clear again, but soon a huge mass of stuff is left over that needs to go. He huffs off toward the lava pit, and an idea starts to fizz in his brain. Can he build something that will handle the mess for him? Created to align with the UFLI Foundations scope and sequence (Lesson 42: FLSZ Spelling Rule (ff, ll, ss, zz)), this book practices words like 'mess', 'stuff', 'fill', 'huffs', 'fizz'.

Phonics Focus: FLSZ Spelling Rule (ff/ll/ss/zz)

bliss, fill, fills, fizz, fizzes, huffs, mass, mess, off, puffs, skill, stuff, swell

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
