

What Is in the Den?

An Unofficial Minecraft Book

Steve is in the depths of a big cave. He spots a small pond. Axolotls swim in it!

Axolotl gets
up and sits
next to Steve.
It has a big
grin. What a
thrill!

Steve dashes up
the path to his
pond. He has
Axolotl in his
hands. Axolotl
looks at the pond.
It will not go in yet.

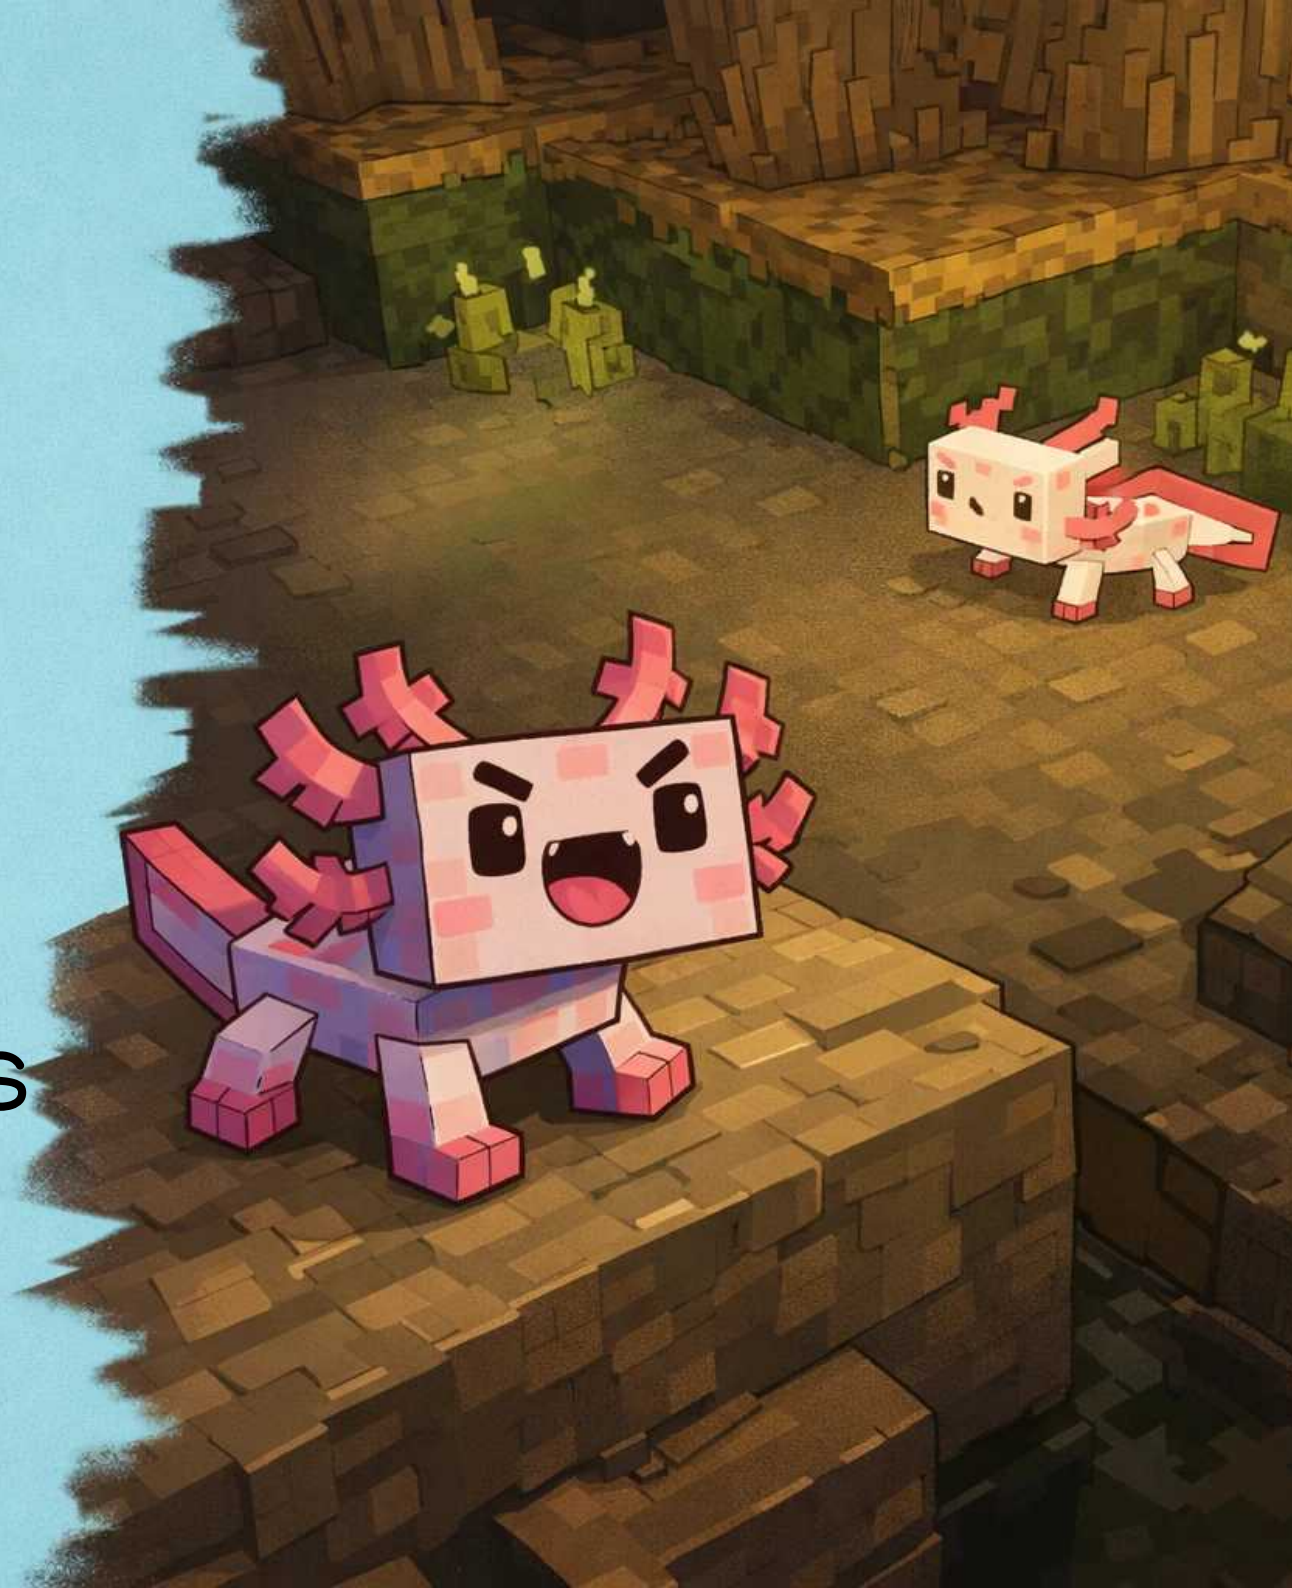

Steve packs thick
moss on the
rocks. Splash!

Axolotl slips in the
pond and grins.

Thud, thud!

Axolotl is back
in the cave. It
spots a small
lit pal and grins
a big grin.

The pals swim
in the sun.

The pond is a
big bath. They
bob and grin.

Steve has a
fish and a big
grin. Splash!
Axolotl pops
up in the froth
next to Steve.

The pals splash
and swish in
the pond. Flip,
flop, splash!
This is the
best thrill of all.

What Is in the Den?

Steve has explored every cave, mountain, and ocean, but a hidden pool full of glowing green moss holds something he has never seen before. Two tiny creatures grin up at him, and one climbs right out to sit at his feet. Could this strange new friend be the start of his best adventure yet? Created to align with the UFLI Foundations scope and sequence (Lesson 47: Unvoiced th /th/), this book practices words like 'thrill', 'thud', 'bath', 'path', 'thick'.

Phonics Focus: Unvoiced th /th/

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
