Why Is
She Stuck?

Rose is **so** plump. Why is **she so** sad?

Rose is stuck! **She tries,** but **no** luck.

'So try it!'

says the

yoga sheep.

So she

tries. She

tries yoga!

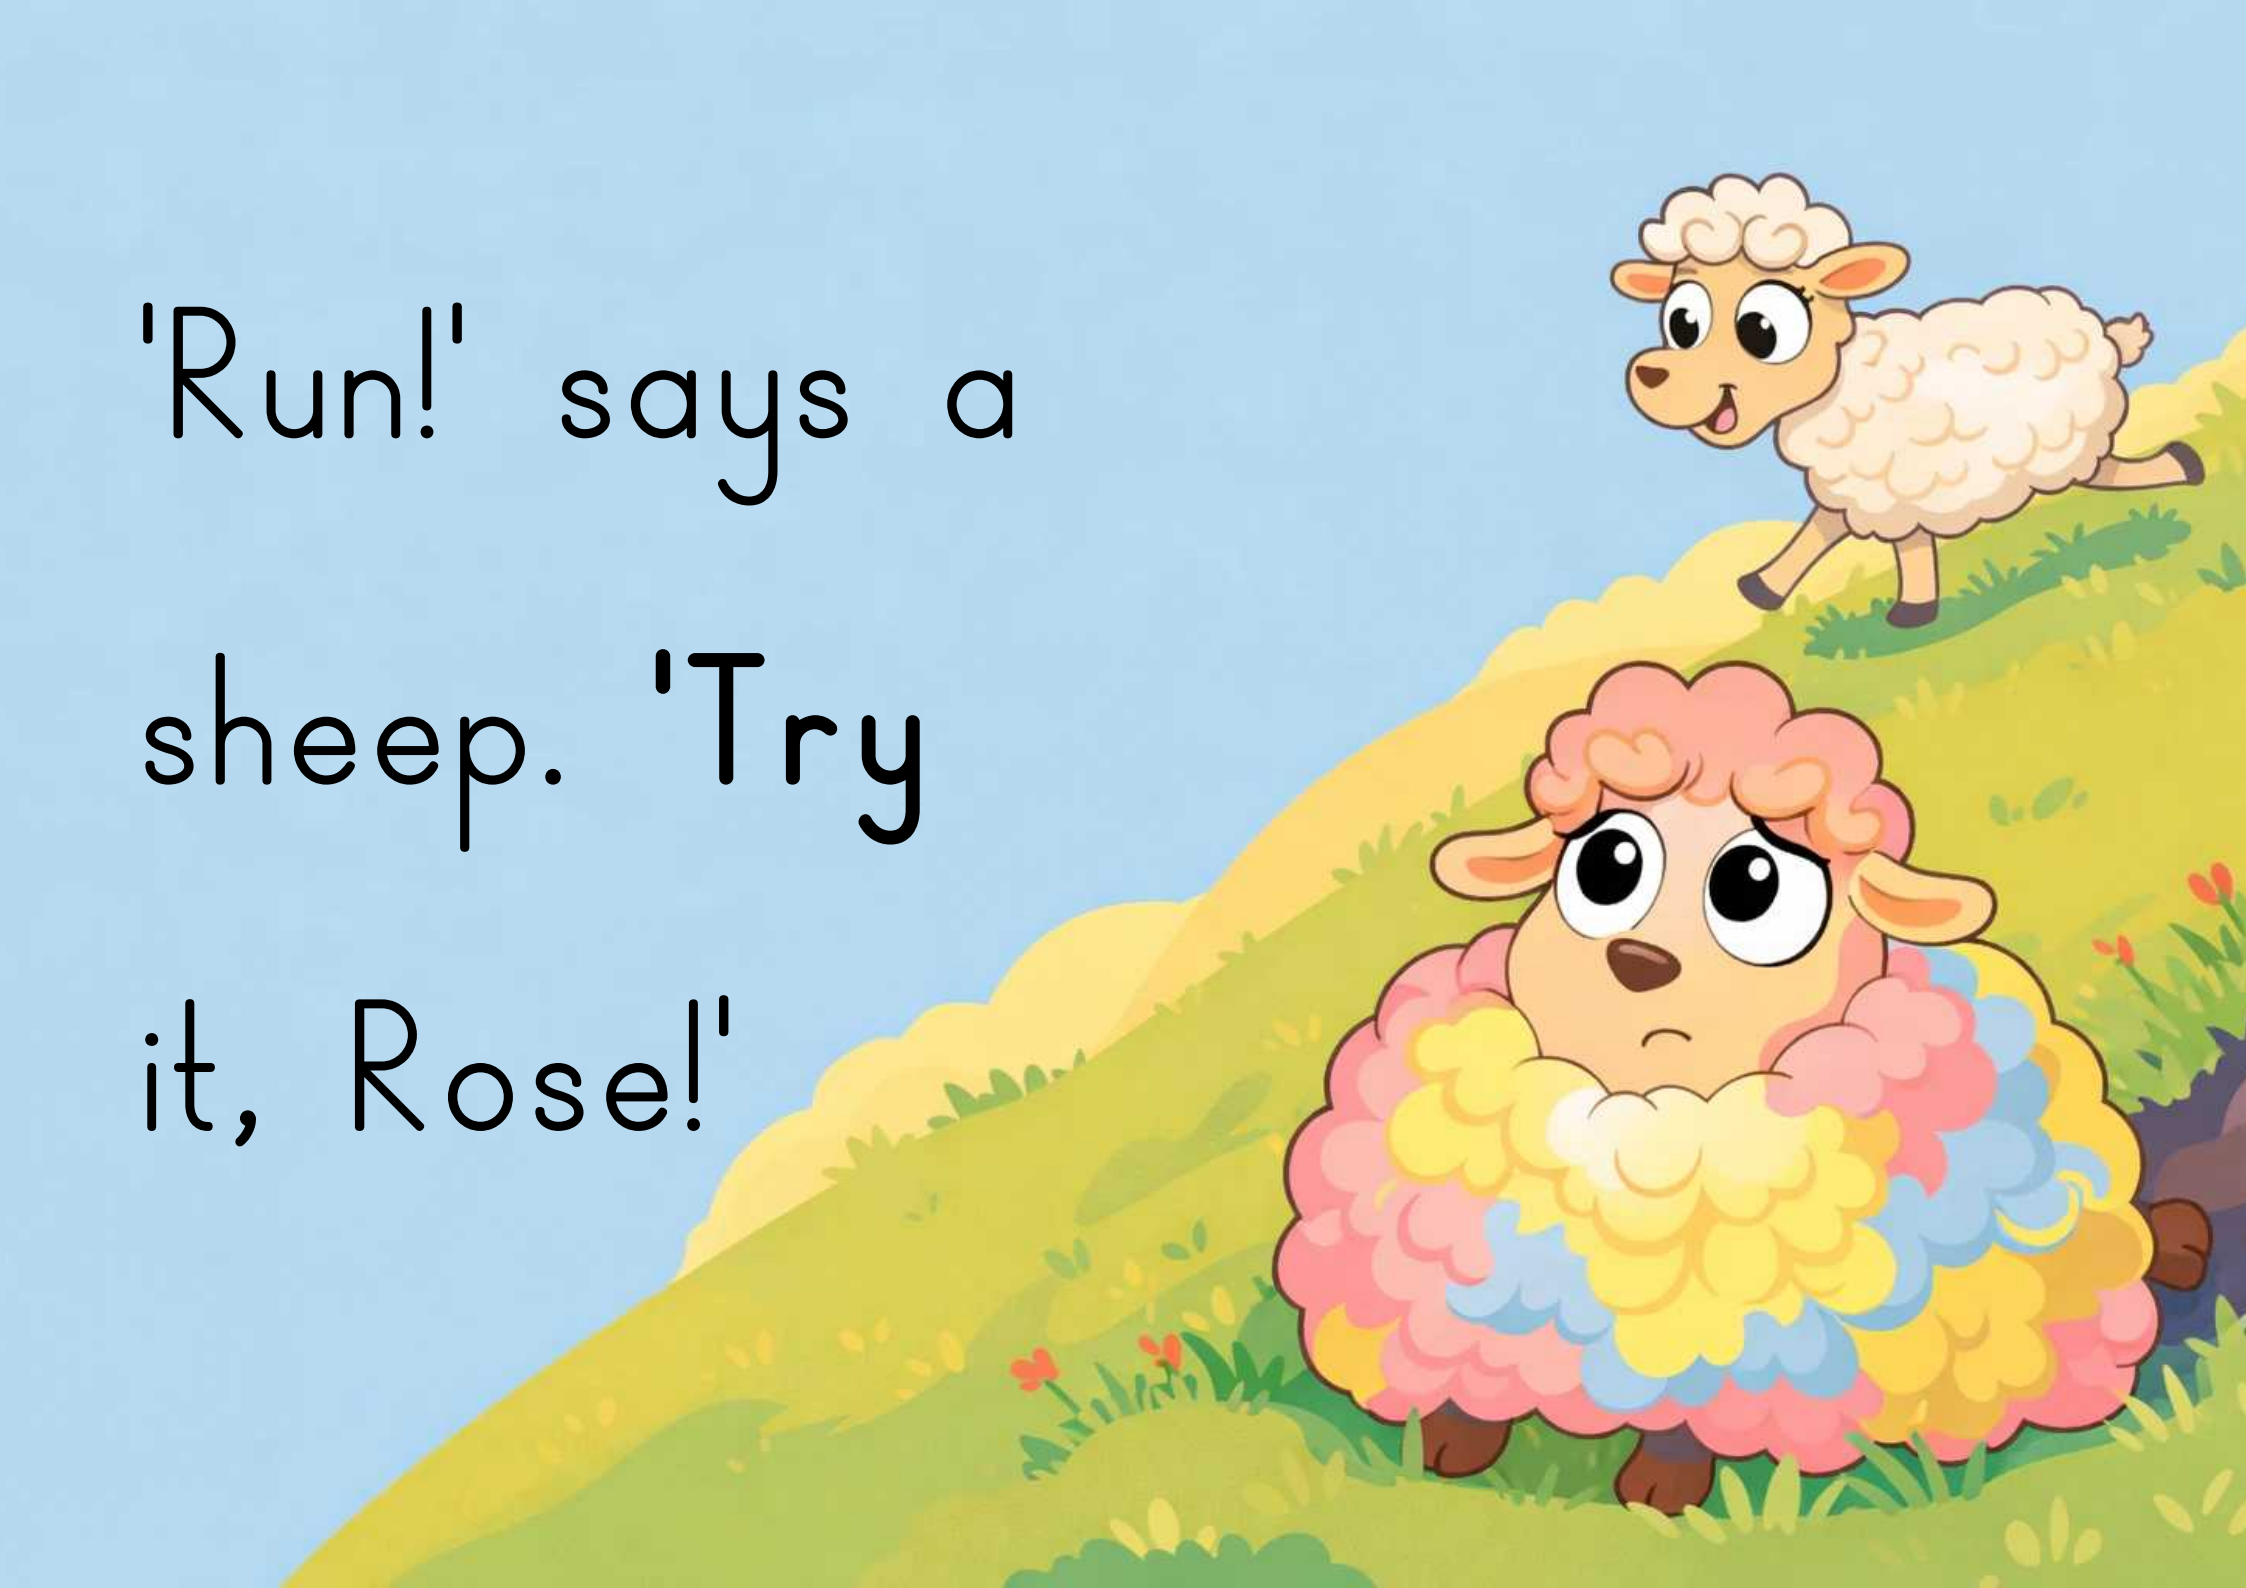
My, she

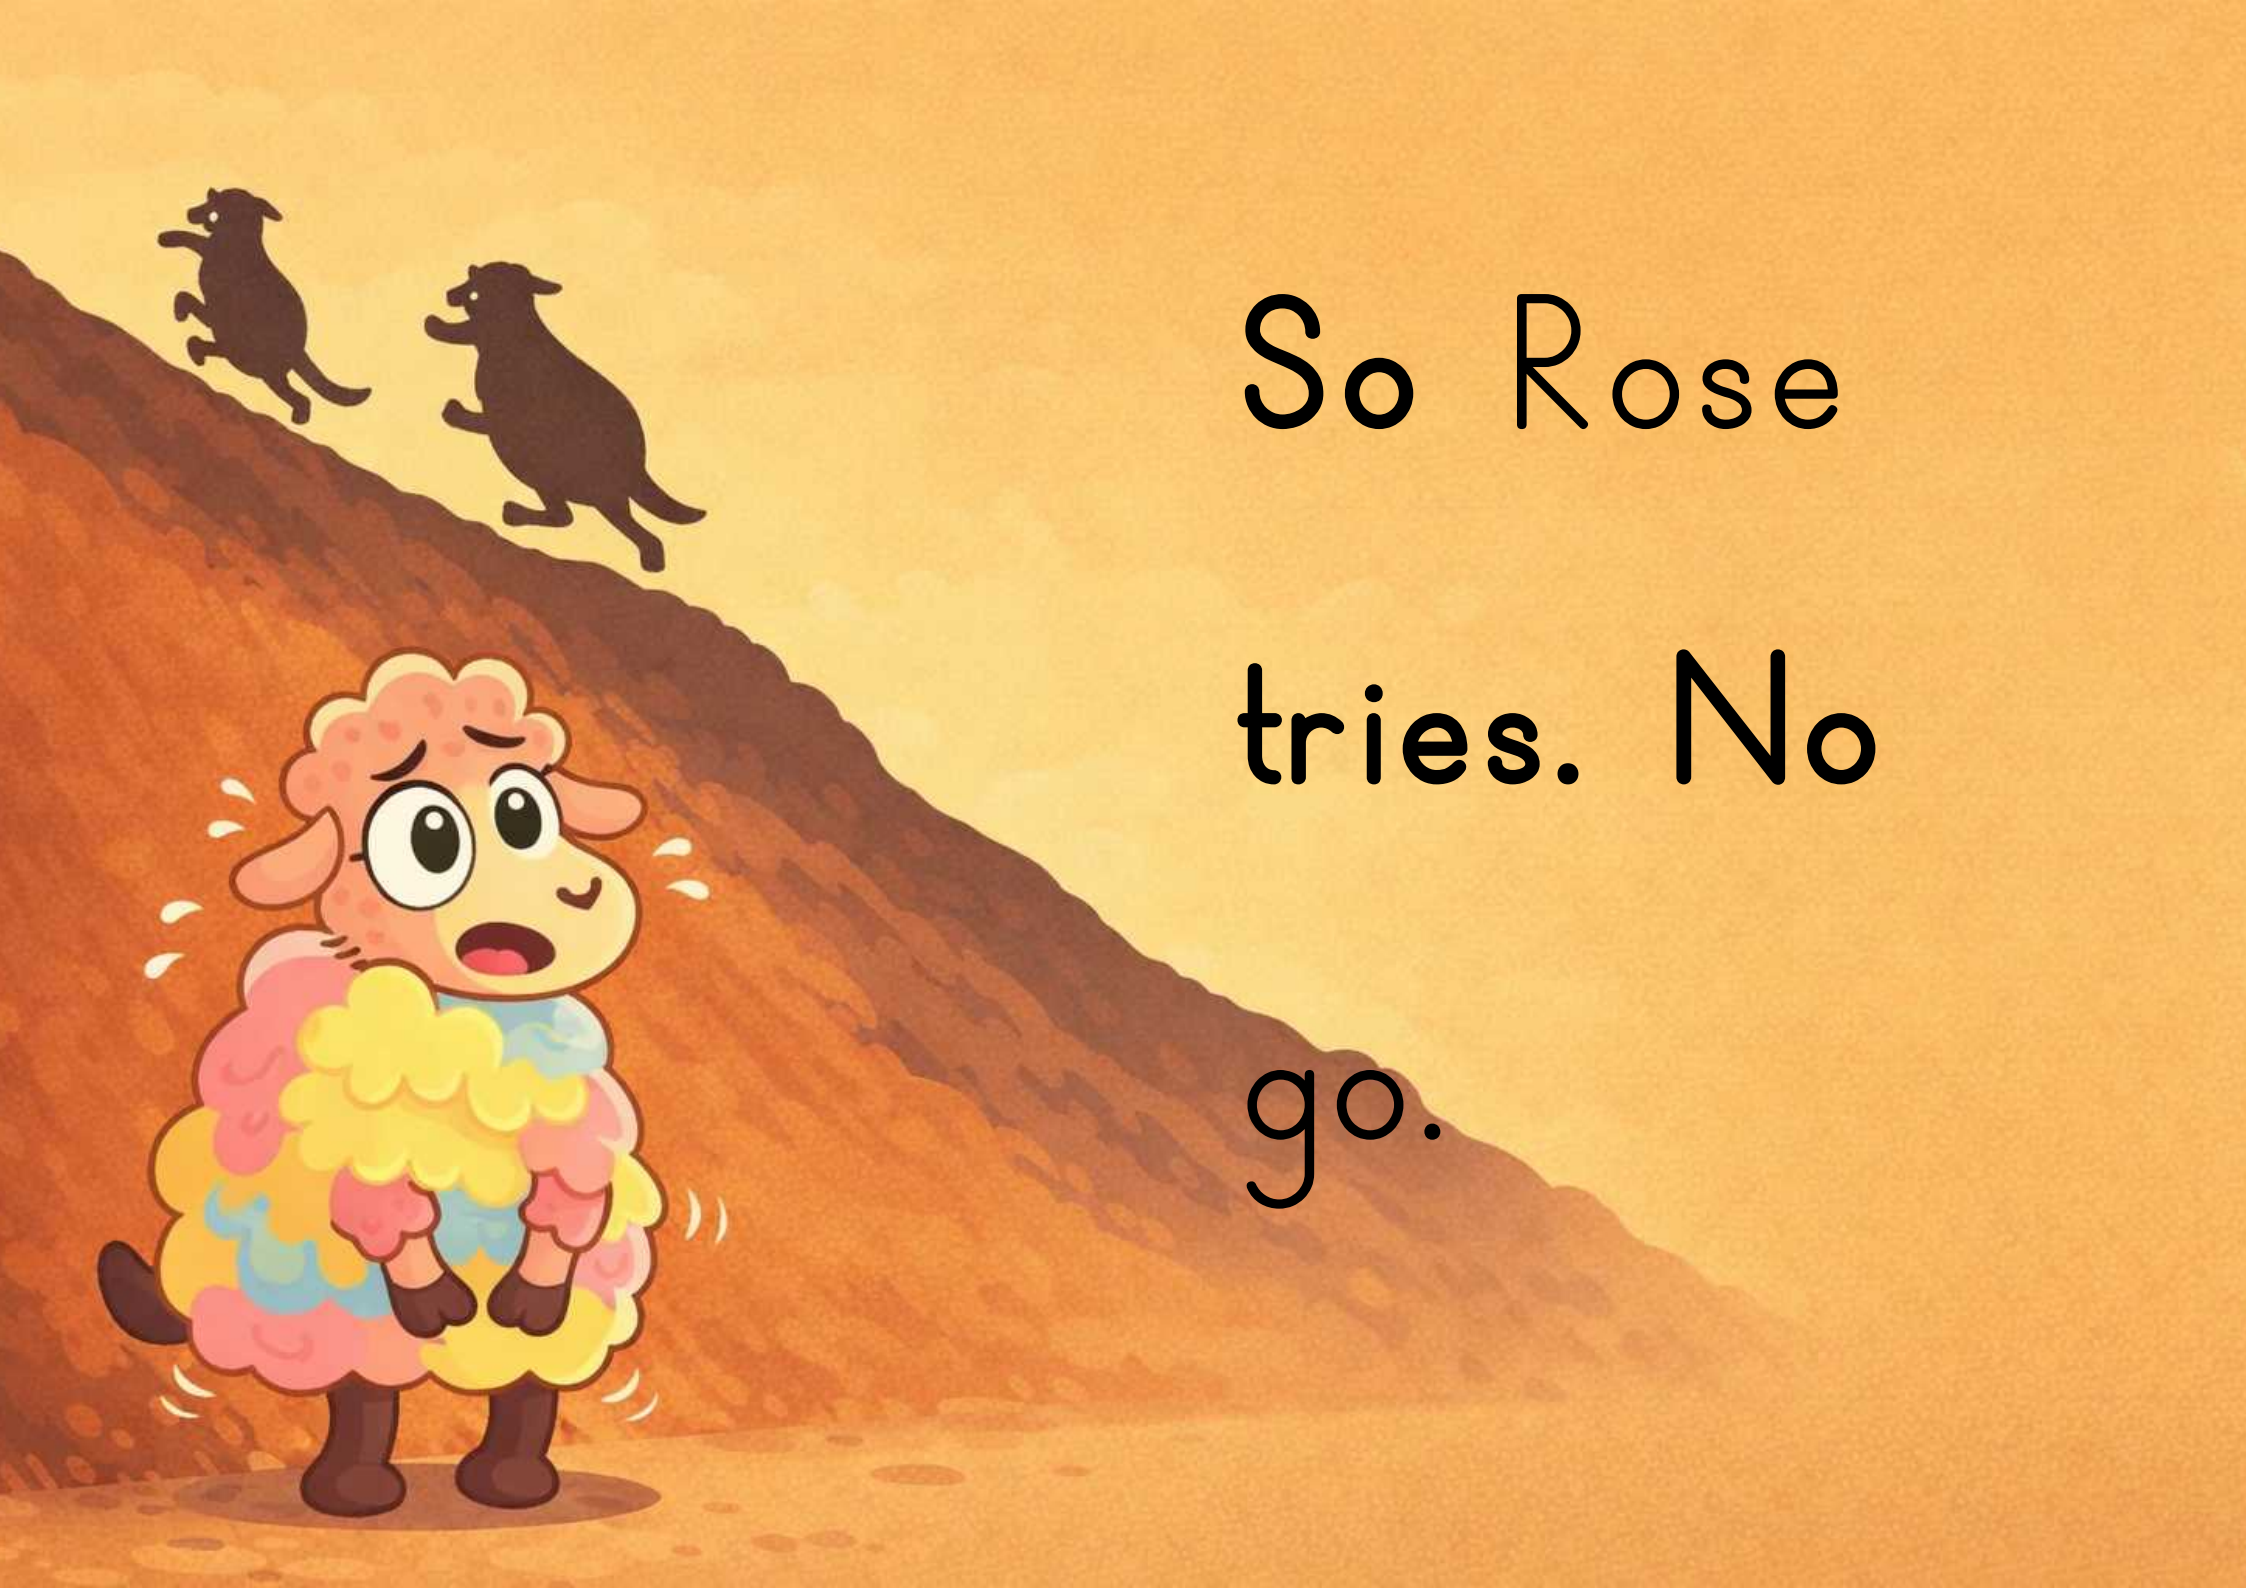
bends so

much!

She tries. No, no. Still so stuck!

'Run!' says a sheep. 'Try it, Rose!'





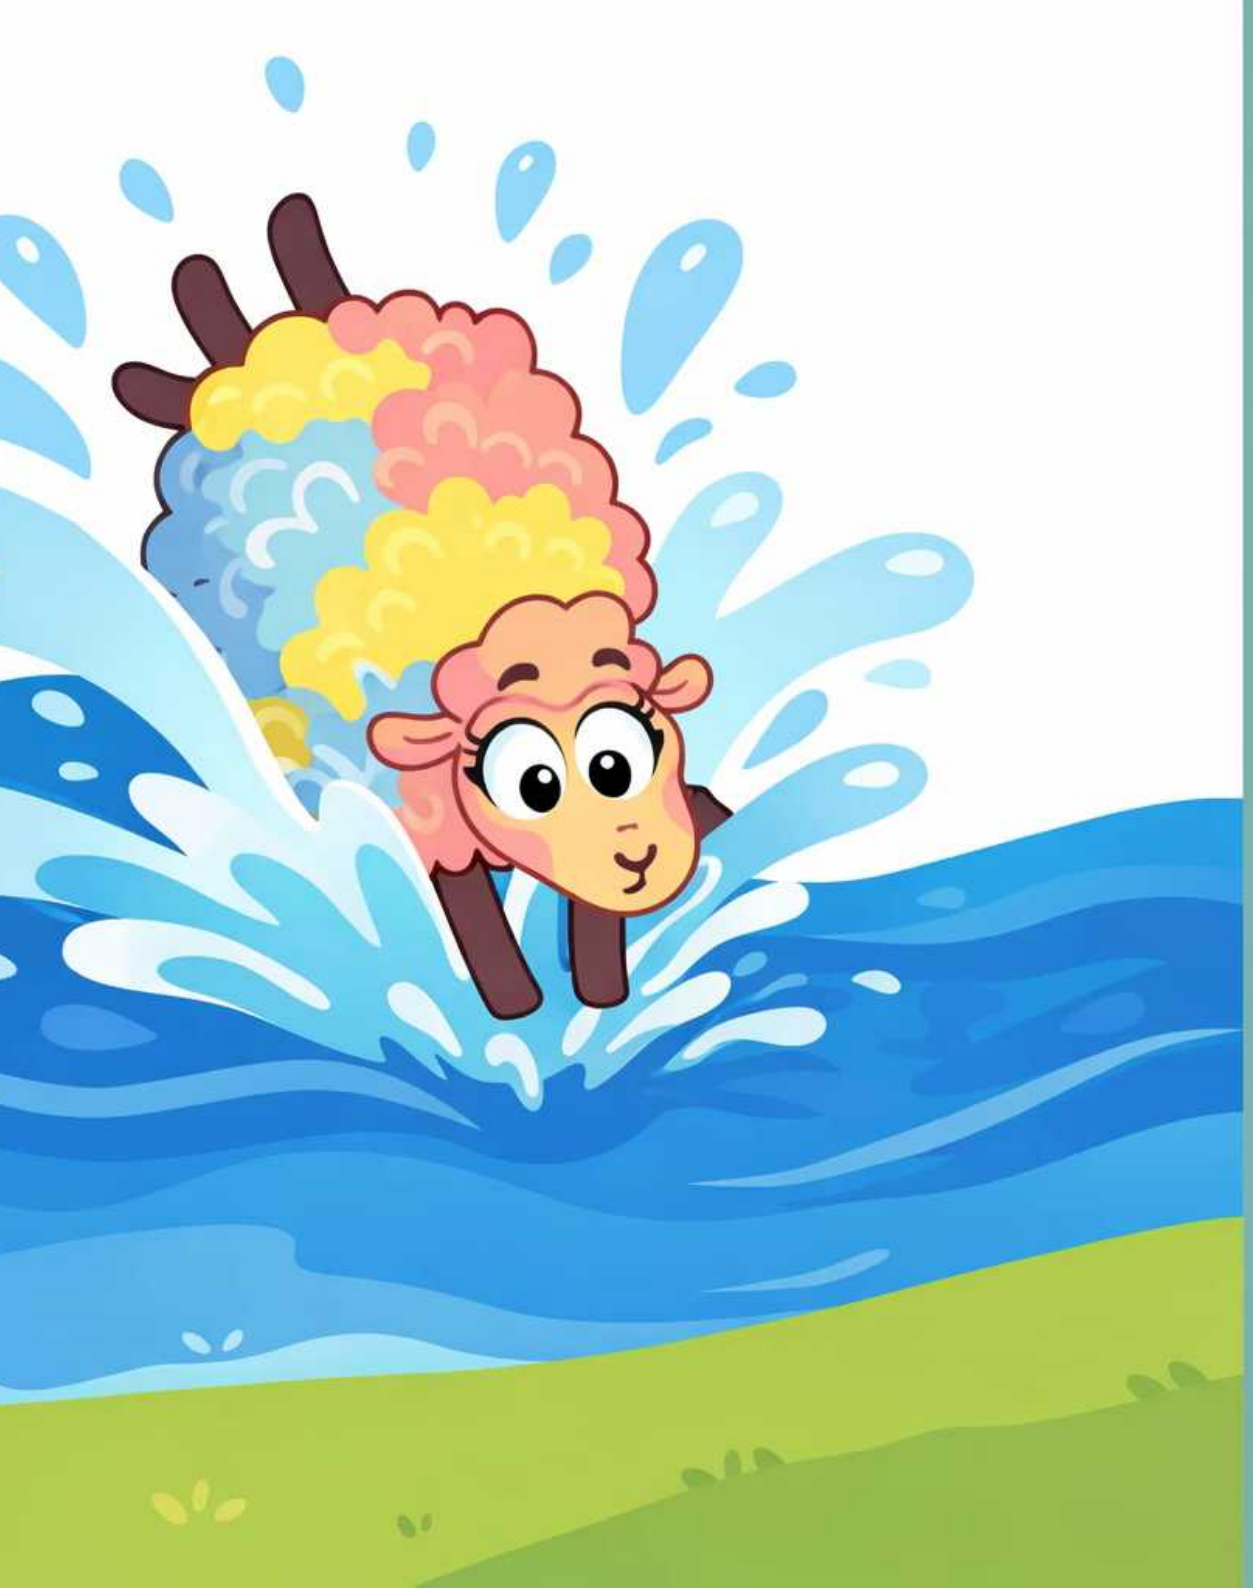
So Rose tries. No go.

'Swim,

Rose! Try a

swim!' says

the sheep.



So Rose jumps in!

No luck!

She is still

plump!

'My, oh my!' she says. 'I can mend it!'

She gets a

saw.

The gate is set. Rose is **so** snug!

'Why? Oh,

why?' cry

the sheep.

'Try my gate!' says Rose.

4

Why Is She Stuck?

Rose the sheep is plump, happy, and heading home after a sunny summer on the hill - but oh no, the farmer has built a tiny new gate, and Rose is stuck fast! Can yoga squish her smaller? Will running slim her down? What about swimming? Three weeks of wobbly tries later, why is Rose still exactly the same size, and what clever idea pops into her head? This decodable reader practices open syllables in words like 'my,' 'try,' 'she,' 'so,' and 'why.'

cry, i, my, no, she, so, tries, try, why

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
