

Zom Scans for a Clue

Zom steps out
in the morning.
He stops and
looks. Is this
true?

Cake! Cake
sits in the
plot. Lots and
lots! Zom has
no clue. Did
he plant cake?

All look at the
plot. Skel is mad,
but Jack grins a
lot.

Zom looks and
looks. He has no
clue.

All pack the
cake up in a
box at dusk.

The box is due
at the shop.

Jack lugs it up
the path.

It continues! Black coal sits on all the land.

Zom stands on the porch and looks at the lumps.

All pack up the
coal, but Jack
grins and grins.

Zom looks at
that big grin. A
clue!

Zom looks at
Jack at dusk. Is
this a trick?

Jack grins his
pumpkin grin. Is
it true?

The land is dim
and **blue**. Zom
stands on the
porch and waits.
Jack keeps to
his room till
morning.

It continues! The
land is a mess,
and Zom is mad.
It is not Jack,
and that is true.
Skel has no clue.

Jack grabs a
box and runs
on the path.

He is glad. The
box is due at
the shop.

Skel is mad. He
grabs his tool
and stands in
the patch at
dusk. He waits
for a true clue.

Look! A
pumpkin gang
runs at Skel.
He stands
with his tool.
A big attack
ensues!

Zom Scans for a Clue

Zom wakes up to find his farm buried in something strange again and again, from cake to coal to eggs, and he's determined to catch whoever's behind it. Skel is furious, Jack keeps laughing, and Zom stands guard all night to find a clue. Could the trickster be closer than he thinks? Written for Jolly Phonics classrooms (Group 7: ue /ue/), this book practices words like 'clue', 'true', 'blue', 'due', 'continues'.

Phonics Focus: <ue>

blue, clue, continues, due, ensues, true

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
