

Zombie Grabs a Pal!

The villagers
get stuck in a
rock den. It is
dim and cool.

Look! A pal
groans for help.

Boo! A Zombie
grabs a pal in
the gloom. It
nips and jabs.
The pals panic.
The pals get
green spots.

A Zombie steps
in the hot sun.

Zap! It is doom.

The green pals
stand in the
gloom, sad.

The Narrator
cooks up aid at
the stand.

Drip, drip! It is
green goo, but
it is good.

He creeps in
the rock den.
The green pals
look up. He lobs
the aid flasks at
the pals. Splat!

It is good! The
villagers grin
and grin.

The pals hand
him gifts and
carrots. A good,
good end.

Zombie Grabs a Pal!

Two villagers keep wandering off, and this time the river drags them into a dark cave where something is waiting in the shadows. A zombie lunges out and grabs one, then the other, until both stand there with hollow eyes and green skin. Their friend needs to get them out before sunrise burns them alive, but how do you save someone who might bite your face off? Written for Jolly Phonics classrooms (Group 5: oo as in moon & oo as in book), this book practices words like 'look', 'gloom', 'boo', 'cooks', 'goo'.

Phonics Focus: <oo>

boo, cooks, cool, doom, gloom, goo, good, look

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
